1. Contracting Authority:

Banco de Cabo Verde
Avenida Amílcar Cabral, n° 27
C.P. n° 101
City of Praia–Cape Verde
www.bcv.cv

2. Contract Objective:

Acquisition of services in oversight, planning and contract control of hygiene and safety conditions in the construction of the new headquarters of the Bank of Cape Verde in the City of Praia

3. Location of Contract Execution:

ASA – Achada Santo Antonio
City of Praia – Cape Verde

4. Timeline for Contract Execution:

It is expected that the activities will last for 39 months, with an anticipated start date of January 2012.

5. Participation Conditions (Bidders):

Bidding shall be open to all national or foreign companies in management, studies, projects, and oversight of civil and public construction works, which possess the technical and financial capacity required for the full range of activities that constitute the contract for the new headquarters of the BCV, in accordance with the Specifications (Caderno de Encargos - CE) provided and any applicable legislation.

6. Proposals:

Services shall be rendered for a fixed, global price.

Proposals with conditions that diverge from the Specifications provided will not be admitted.

Bidders must present their proposals using the Cape Verdean Escudo as the currency.

7. Access to the Parts of the Tender:

Acquisition of the tender process from the Bank of Cape Verde's Human Resources and Administration Department / Office of the Construction of the New Headquarters is a necessary condition in order to be eligible to bid.

The acquisition cost for the tender process is 25,000 (twenty-five thousand escudos) to be paid by:

- Check valid upon clearance
- Certified check to the order of Bank of Cape Verde

Address:

Banco de Cabo Verde

Código de campo alterado

The tender process is available at the address above, as of the 18th of July, 2011.

8. Deadline for Maintaining Proposals:

The period for maintaining the proposals is 180 (one hundred eighty) days, counting from the submission deadline.

9. Documents to accompany proposals:

The required accompanying information is indicated in the Specifications for the tender.

10. Deadline for Submission Proposals:

The proposals should be submitted by 10:00 A.M. on September 9, 2011, after which no further proposals will be accepted.

11. Selection Criteria:

Only proposals that score 80 or more points during the technical analysis will be selected.

The selection will be made based on a balance between technical quality and the price of the proposal, considering a scale of 80/20.

12. Proposal Submission Method

Applications must be submitted to the Contracting Authority by registered mail (official postal services) to the address provided in Paragraph 1 or delivered directly to the same address, against a signed and dated delivery notice.

13. Reasons for the Exclusion of Proposals:

Proposals received after the date described in point Paragraph 10 shall not be considered.

Proposals sent to the contracting authority using methods other than those described in Paragraph 12 shall not be considered.

14. Process Language:

Portuguese
